Dear Lance

We have mainly been having about watchmen and workmen and the need for coordination. Brethren deeply saddened by the news from NZ and NA and the loss of life.

In regard to your question it is good you have looked this up which I haven't had opportunity to do. If having read it you felt free to start Deb's hymns it may save any embarrassment for anyone else.

Thinking of you and praying for you.

With much love as always.

Best regards

Garth Christie

Garth,

I trust that you're getting on well

Any snippets from the time would be gratefully received

I'm trying to be careful so in view of the instruction conveyed last Tuesday (I

gather from Mr Hales) that I'm to cease from any local administrative tasks, JSH made it clear on at least 10 occasions that tune starting is administrative.

Could you get clarification as to where the line is to be drawn?

Thanks

I started a couple at the supper this morning and suddenly remembered what you said

Trusting that you're having a good time
