Dear Jenny,

Further to my previous appeal to you, I attach a copy of a letter with attachments, addressed to your husband

Trusting that you will let me know what's happening within seven days

I require a full explanation as to Bruce's conduct towards Paul Gordon, Anne Marie Smith, Marcus Anderson and myself

If silence prevails, I will have no option but to circulate information to a wider circle of individuals

I submit this whole matter to our Holy God who is well able to judge both our motives and our actions

Best Regards

Lance

FOR THE ATTENTION OF MR. BRUCE D HALES

28 May, 2018cc.

cc Jed Christie.

Dear Mr. Hales,

Bruce, this is a last personal and genuine appeal to your conscience. It is my humble attempt at standing true to our Lord and His divine principles, as commanded in Matthew 18:15-16

It is precisely 20 years since Jed's accident. You know very well that my link with Jed, my firstborn, was very precious-both ways. It is now 10 years since you visited my home at my invitation.

Similarly, my link with my own father and mother had been very precious. The same applied to my father and his father, and in-turn, between my mother and her father. Religion has had the devastating effect of wrenching four generations asunder. 1 Corinthians 12:25

I should have been a better father (and I'm sure my father and his father would have echoed that). I feel that you carry a significant responsibility Mr. Hales. You know what you have to do to put this right pursuant to the laws of the land, and the Holy Scriptures.

You and I both know that cover-ups of sexual perversion and other corruptions amount the PBCC have to be exposed. I've been made aware of multiple cases of child abuse within the PBCC, which by some accounts, apparently, are known to you personally.

Christ is available to you, Bruce, just as much as He is to me. I appeal to you by the grace of God because I feel that you and I, working together, could be instrumental in "saving a great people alive" Gen 50:20.

Alleged victims are presently drafting comprehensive accounts of their experiences with historical abuse crimes. Once complete I will forward them for your your personal attention.

Please advise your email address so I can forward them privately to you.

To God be the glory.

Yours in Him,
The forgiven sinner,
