Subject: Appeal to younger brother, Garth

Dear Garth

Salutary words from Cedric below

I'm open book and acknowledged my situation to Roger Edwards and yourself in March 2017
Please re-read carefully all the emails that passed from me to Neil, yourself, Roger Edwards and
Chris Stutterheim during 2014 2015 2016 and 2017 and then fully explain to me what led you to
opinions that cast doubt upon my character
We were brought up to be respectful to others and never to take advantage of other people's
kindness

I give you seven days to come back to me with a full explanation

Best Regards

Lance

Dear Ralph

Yes you can listen to my recordings.

However firstly you MUST carefully go through ALL your many emails and

fully explain what led you the opinions in those emails that cast doubt upon my character.

Quite a bit of work for you there old chap.

Secondly you MUST return the money you and Jane owe me.

We were brought up to be respectful to others and treat others as we would like to be treated ourselves.

Not take advantage of other people's kindness.

Forgiveness usually follows repentance.

Dear Ced

Can I have a listen or a transcript of your trusty tape recordings or elaborate as it is clear that the Court case in BCC was based on what you recorded but not disclosed to me. It now explains why after three years of work with Tay, two years work with Richard and three months work with Chris why the night before my trial they all thought I was guilty which is not a defence I could rely on.

They chose to continue with the trial knowing that they had seen your written report on your expedition April 2014 with my son Declan, listened to your trusty tapes, knew I had been fully exonerated of the same crimes in Crete October 2013, knew Stephen Thomas had hid millions from Jane Thomas in Crete, knew Bapon AE had been crippled by WYP, the list is endless Cedric as you know the saga.

It is illegal to record someone in Greece and the UK unless you tell the person that you are going to record them.

I thought you told everybody that you had no influence on the trial and did not even know what I had been convicted of until after.

You will unfortunately get extra burn in HELL for this as written in the scriptures for not helping a brother in need but now leaving him like a widower, his wife a widow and one of his sons Kenton like an orphan.

Good luck

Ralph

Hey Guys and Gal

It's a good job my trusty recording device can satisfactorily contradict much of Ralph's blather in the email below of 14 March 2019 .

Take a reality check guys. The more I read the more stupid you look.

Kind Regards

Cedric
