Subject: Corrected Chart and further plea and question

Brother Garth

Here's the chart corrected to "Leeds Town Hall"
Please now settle the invoice because I've at times been hungry and unable
to afford food and medication since I issued it to you
Why split up and devastate my own family after doing the same to father and
mother back in 1972?
They were devastated as was I
Please show some respect for once by answering this plea and question
