Brother Garth

I've not only sent the attached letter to Bruce Hales but also exercised my right via Jim Hutchinson to break bread with the brethren in Morden this coming Sunday morning
I suggest that the Horsforth Gospel Hall trustees now convene an assembly meeting in Leeds and that you use that opportunity to submit yourself to your local brethren and tell them exactly what's been happening from the point you implored me to leave home in September 1972
If I were you, I'd simply plead for mercy and cast yourself on the Lord and let Him control what happens
Administration is local so shouldn't be controlled from Sydney.
Perhaps you would be kind enough to convey my love for my local brethren just like mother did from her deathbed but it's divine love that matters

Yours in Christ
